

Fundamentals of Leadership

Your success as a leader is dependent on developing the perspective, skills and personal style to achieve results that matter. Learn the proven management techniques and powerful strategies you need to become a stronger, more confident and respected leader. This workshop is highly interactive and designed for all levels of supervisory and management personnel charged with guiding, leading or managing.

Topics to be covered:

- It's all leadership - how to be more than your title.
- Engagement and productivity through Mission/Vision and Communication.
- Skill and will: tailoring your style to what's really needed.
- How to provide feedback honestly and respectfully.
- Building high performance teams.

Date:

Wednesday, March 29th, 2017
